Students are advised to keep a copy of their assessments prior to submission. Emerging Leadership Institute can accept no responsibility for lost assessment tasks.

Please note: Students will have to complete assessment tasks again if their work goes missing and therefore it is important to keep a copy of their original assessment tasks.

### Assessment malpractice

Assessment malpractice includes: cheating, collusion and plagiarism.

Emerging Leadership Institute regards the integrity of assessment as critical to its professional responsibilities as an RTO and therefore strives to ensure the assessment processes are not compromised. Emerging Leadership Institute has policies and procedures in place for dealing with assessment malpractice.

### What is cheating?

Cheating within the context of the study environment, means to dishonestly present an assessment task or assessment activity as genuinely representing your own understanding of and/or ability in the subject concerned.

Some examples of cheating are:

- Submitting someone else's work as your own whether you have that person's consent or not.
- Submitting another author's work as your own, without proper acknowledgement of the author.
- To allow someone else to submit your own work as theirs.
- To use any part of someone else's work without the proper acknowledgement.

There are other forms of cheating not contained in this list. These are merely given as some examples. If you are unsure about whether any particular behaviour would constitute plagiarism or cheating, please check with your trainer prior to submitting your assessment work.

### What is Collusion?

Collusion is the presentation of work, which is the result in whole or in part of unauthorised collaboration with another person or persons. It is your responsibility to ensure that other students do not have opportunity to copy your work.

### What is Plagiarism?

Plagiarism is a form of cheating and includes presenting another person's or organisation's ideas or expressions as your own. This includes, however is not limited to: copying written

works such as books or journals, data or images, tables, diagrams, designs, plans, photographs, film, music, formulae, web sites and computer programs.

## **What are the Penalties for Plagiarism or Cheating?**

If a trainer suspects that you are cheating they will investigate further to establish evidence to support their suspicion. By looking at learning resources, searching on Google and reviewing previous or current student's work. If evidence to support the suspicion is established your trainer will then report their concerns to Emerging Leadership Institute's Head Trainer. From there the following process will be followed:

1. The assessor will contact you in writing outlining their concerns with your submitted work.
2. You will then have an opportunity to respond to any allegations of cheating or plagiarism.
3. If the Head Trainer's investigation confirms that you have engaged in cheating or plagiarism you will be advised of one of the following consequences:
  - If it is determined that your offence committed is minor or unintentional, you will be asked to resubmit your work and be given a formal warning in writing by Emerging Leadership Institute's Head Trainer OR
  - If it is determined that your offence committed is of a serious and intentional nature you will be un-enrolled in that unit immediately and have to re-enrol if you wish to complete that unit. Your result for that unit will be recorded as Not Competent. A cheating/plagiarism note will also be recorded against your student file. Notification of any such decision will be made in writing by Emerging Leadership Institute's Head Trainer.
4. If the conduct is repeated or if the initial conduct is of a very serious nature (as determined by the Head Trainer), such as knowingly falsifying assessment evidence, the student's enrolment may be terminated. In cases of termination, all fees paid will be non-refundable.

## **What if I don't agree with the decision?**

If you disagree with the decision or the penalty imposed you are entitled to lodge an appeal in accordance with the Appeals Policy and Process. For more information you may refer to the Complaints and Appeals section of the Student Handbook.

## **How do I avoid Plagiarism or Cheating?**

Students are advised to note the following advice to avoid claims of plagiarism or cheating:

- Always reference other people's work. You may quote from someone else's work (for example, from websites, textbooks, journals or other published materials) but you must always indicate the author and source of the material.
- Always reference your sources. You should name sources for any graphs, tables or specific data, which you include in your assignment.
- You must not copy someone else's work and present it as your own.

- You must not falsify assessment evidence.

## 2.5. CODE OF CONDUCT

All Emerging Leadership Institute participants are expected to take responsibility for their own learning and behaviour during both training and assessment. Any breach of discipline will result in the participant being given a 'written warning'. Further breach will result in a participant being asked to 'show cause' as to why they should not be excluded from further participation in the program. A third breach will result in instant dismissal from the training environment. Where a breach is deemed as of a serious nature, as determined by the Head Trainer, the student's enrolment may be terminated. In instances of dismissal and termination of enrolment, all fees paid will be non-refundable.

Personal interaction, staff-to-student and student-to-student is expected to be respectful. An aggressive manner or degrading and abusive language will be considered contrary to the Code of Conduct and a breach of discipline. Following are further instances of breaches to the Code of Conduct.

### 3. COURSE INFORMATION

All training programs provided by Emerging Leadership Institute are registered under nationally endorsed training packages. These training programs are competency based which means that training and assessment focus on the development and recognition of a person's ability to apply relevant knowledge and skills to perform workplace tasks to a specified standard.

#### 3.1. TRAINING PROGRAMS

The specific skills and knowledge required for particular activities are set out in Units of Competency which can be grouped together to formulate the completion of a nationally recognised qualification. Nationally recognised qualifications are outlined in training packages. These can be viewed at [www.training.gov.au](http://www.training.gov.au).

Each qualification has a list of employability skills and foundation skills which describe the non-technical skills and competencies that are important for effective and successful participation in the workforce. For each qualification there are specific employability skills listed under the following headings:

1. Communication
2. Teamwork
3. Problem solving
4. Initiative and enterprise
5. Planning and organizing
6. Self-management
7. Learning
8. Technology.

These employability skills will be part of the assessment requirements of a nationally accredited course.

#### 3.2. COMPETENCY BASED TRAINING

All programs delivered by Emerging Leadership Institute are assessed under the principles of Competency Based Training. The aim of Competency Based Training is to assess the student's ability to complete the activities in each unit.

Emerging Leadership Institute will assess the student's ability (or competence) to carry out the activities in each unit of competency.

Competencies are normally expressed in terms of a unit of competency. For example, if you were working in a retail store, a unit of competency might include "use point of sale equipment." Competencies include the skills and tasks that are required in the

workplace. When a student is being assessed on these activities, the student will be required to perform the activity to the level required in the workplace.

All assessment results are recorded in Emerging Leadership Institute's Student Management System. Students have access to their assessment outcomes via the student portal or by request.

Certification documents are issued from the results recorded in Emerging Leadership Institute's Student Management System.

### **3.3. FLEXIBLE DELIVERY**

Flexible delivery means providing training that best suits the participant and/or employer. Emerging Leadership Institute offers courses through Blended delivery. Please refer to relevant course brochures and website for course information/delivery options available.

In simple terms, assessment is the process of collecting evidence and making judgments on whether competency has been achieved. In order to be assessed as competent (C), you will need to provide evidence which demonstrates that you have the essential knowledge and skills to successfully complete the relevant unit to the required standard. Competency is simply about demonstrating that you can do the task with confidence to the required industry standard as endorsed by the training package or VET accredited Course.

An assessment of 'Not Yet Competent' (NYC) is not a failing mark. It is simply a request for more information or further confirmation of the knowledge and skills required. Our trainers will provide feedback to guide your resubmission and are available for contact if required. The student will be required to successfully resubmit the assessment with the required rectifications to achieve a competent result. The student will be allowed a limit of three submissions per unit of the course. To be eligible for the qualification, the student must receive a competent result for all units of the course.

Assessment, within competency-based approaches to learning, is criterion referenced. This means it identifies an individual's achievements of defined outcomes, rather than relating their performance to that of other learners or trainees.

Assessment methods used may include:

- Demonstration.
- Observation.
- Work samples.

- Workbook activities.
- Oral presentations.
- Role plays or simulation.
- Projects

### 3.6.1. PRINCIPLES OF ASSESSMENT

There are four key principles that are a part of the assessment process:

<b>Fairness</b>	<p>The individual learner’s needs are considered in the assessment process.</p> <p>Where appropriate, reasonable adjustments are applied by the RTO to take into account the individual learner’s needs.</p> <p>The RTO informs the learner about the assessment process and provides the learner with the opportunity to challenge the result of the assessment and be reassessed if necessary.</p>
<b>Flexibility</b>	<p>Assessment is flexible to the individual learner by:</p> <ul style="list-style-type: none"> <li>• reflecting the learner’s needs;</li> <li>• assessing competencies held by the learner no matter how or where they have been acquired; and</li> <li>• drawing from a range of assessment methods and using those that are appropriate to the context, the unit of competency and associated assessment requirements, and the individual.</li> </ul>
<b>Validity</b>	<p>Any assessment decision of the RTO is justified, based on the evidence of performance of the individual learner.</p> <p>Validity requires:</p> <ul style="list-style-type: none"> <li>• assessment against the unit/s of competency and the associated assessment requirements covers the broad range of skills and knowledge that are essential to competent performance;</li> <li>• assessment of knowledge and skills is integrated with their practical application;</li> <li>• assessment to be based on evidence that demonstrates that a learner could demonstrate these skills and knowledge in other similar situations; and</li> </ul>

	<ul style="list-style-type: none"> <li>judgement of competence is based on evidence of learner performance that is aligned to the unit/s of competency and associated assessment requirements.</li> </ul>
<b>Reliability</b>	Evidence presented for assessment is consistently interpreted and assessment results are comparable irrespective of the assessor conducting the assessment.

### 3.6.2. RULES OF EVIDENCE

The Rules of Evidence are closely related to the principles of assessment and provide guidance on the collection of evidence to ensure that it is valid, sufficient, authentic and current as follows:

<b>Validity</b>	The assessor is assured that the learner has the skills, knowledge and attributes as described in the module or unit of competency and associated assessment requirements.
<b>Sufficiency</b>	The assessor is assured that the quality, quantity and relevance of the assessment evidence enables a judgement to be made of a learner's competency.
<b>Authenticity</b>	The assessor is assured that the evidence presented for assessment is the learner's own work.
<b>Currency</b>	The assessor is assured that the assessment evidence demonstrates current competency. This requires the assessment evidence to be from the present or the very recent past.

### **3.6.3. ASSESSMENT RESULTS**

Results of assessment are provided to students as soon as practicable. These results are available through your student login account. Assessment results are confidential at all times and will not be given to any other party unless a written request signed by the student is received in advance.

### **3.6.4. REASONABLE ADJUSTMENT**

Students with disabilities or learning difficulties are encouraged to discuss with Emerging Leadership Institute any 'reasonable adjustment' to learning and assessment processes which they consider would be necessary or assist them in the performance of their studies.

Careful consideration will be given to any requests for reasonable adjustment of this nature, and, where reasonably practicable, such adjustments will be made. There may however be circumstances where it will not be reasonable or reasonably practicable for Emerging Leadership Institute to accommodate or where other adjustment may be more appropriate. Reasonable adjustments cannot compromise the integrity of competency-based training and assessment.

### **3.6.5. EXTENSIONS FOR ASSESSMENT**

It is expected that all assessment tasks are handed in on the due date. Should you require additional time to complete an assessment, you must communicate with your assessor and apply for an extension. Standard extensions fees are as follows: \$125 for each additional month requested beyond the student's original course end date. No refund will be approved for any extension period not utilised.

### **3.6.6. ADDITIONAL SUBMISSION AND SUPPORT**

Further submission attempts may be provided only at the discretion of Emerging Leadership Institute. Students may request additional submission attempts—approval will be at the discretion of the training management. This discretion will rely on the quality of previous submissions and the consideration of the study making progress through extra effort of the student to address the feedback required.

Should the allotted submission attempts be insufficient to gain competency OR if a discretionary attempt is not granted due to insufficient evidence of extra work, students will have the opportunity to purchase re-submissions/re-assessments. The student is advised to speak to a student support officer to assess the need for course extension and/or support services provided by Emerging Leadership Institute.

## **3.7. AWARDS**

Once a student has successfully completed all assessment requirements for their applicable course, the student will be issued with certification documentation.

For students who have not met all requirements for the course or students who withdraw from a course and have paid relevant fees have the right to receive Statement of Attainment

from Emerging Leadership Institute for the units of competency they have been deemed competent in.

Students should note that if they are paying for their course via the payment plan option, they will be unable to receive their qualification or statement of attainment until course fees are paid in their entirety.

The Qualification or Statement of Attainment will be emailed to the current email address and mailed to the current address noted in Emerging Leadership Institute's Student Management System. The student should allow 30 calendar days from the date of completion of the course for the issuance of your award.

### **Important Information regarding awards at Emerging Leadership Institute**

- Awards will only be issued to students whose financial status with the college is up to date
- It is the responsibility of the student to understand their obligations with regard to fees due for units studied
- For a student to be eligible to receive an award, the student must successfully complete all the units listed
- Training package courses have been submitted to the regulatory authorities, and all units specified in that course are the subjects a student must complete to be eligible to receive that award.

Certification documents can be re-issued to a student, upon written request. Replacement certification documentation will incur a fee of **\$50 per request**.

*See the Certificate Issuance Policy for more details.*

### **3.8. COURSE DELIVERY**

Emerging Leadership Institute ensures the following resources are in place:

- Trainer/assessors and assessors with appropriate qualifications, and experience;
- Course materials appropriate to the methods of delivery and assessment requirements;
- All necessary copyright authorisations;
- Appropriate equipment and facilities.

Training and assessment methods used by Emerging Leadership Institute meet specific quality requirements and are chosen to best suit the unit of competency, while giving consideration to the learning style of the student.

A number of delivery methods will be used throughout the training to help you achieve the necessary skills. Learning is a partnership that involves participation from all involved.

Delivery methods may include, but are not limited to:

- practical demonstrations
- audio/visual presentations
- group participation/ discussions

- trainer/facilitator instruction
- practical activities
- self-paced activities
- individual projects
- case studies.

### **3.9. RECOGNITION OF PRIOR LEARNING (RPL)**

All students have the opportunity to apply for recognition of prior learning. This means that you can submit evidence for a Unit(s) of Competency, and have it assessed by a qualified assessor without completing the training.

Emerging Leadership Institute believes that no learner should be required to undertake a unit of competency for which they are already able to demonstrate satisfactory achievement of the performance outcomes, as stated in the endorsed training package or nationally recognised course.

Emerging Leadership Institute aims to maximise the recognition of a learner's prior skills and knowledge whilst at all times maintaining the integrity and standards of the defined learning outcomes of the specific qualification or course of study. Students who consider they already possess the competencies identified in all or part of any course/qualification offered by Emerging Leadership Institute may seek recognition.

If you think you have the necessary knowledge and skills to match a Unit(s) of Competency or a qualification at the required standard you need to contact your trainer or any Emerging Leadership Institute admissions staff who will provide the information you need to complete an application.

#### **3.9.4. RECOGNITION PROCESS**

Recognition is a method of assessing if you have evidence of competency for a particular unit of competency that you are enrolled in. It is important to remember that recognition is an assessment process, not an assumption of competence.

Recognition is the determination, on an individual basis, of the competencies obtained by a student through:

- previous formal/informal training;
- work experience; and/or
- life experience.

Recognition therefore determines the subsequent advanced standing to which the student is entitled in relation to a course/qualification. The main focus of recognition is what has been learned rather than how, where or when it was learned. Recognition focuses on both the demonstration of competence and the currency of that competence to industry standards.

It is important to note, the onus is on the student to present evidence and demonstrate pre-existing competence to justify a claim for recognition and present their case to the satisfaction of the assessor.

Any documents that you provide to support your claim of competency must be the originals rather than copies. Your original documents will be photocopied and handed back to you. It is also expected that any evidence submitted is your own and if any part of the work is the work of others, that this is formally acknowledged and advised.

### **3.9.2. RECOGNITION DECISION**

Regardless of the type of evidence that you submit, Assessors must be confident that the evidence meets the following criteria:

- Full requirements of the Unit of Competency(s);
- Any regulatory requirements;
- Authenticity - That it is your own evidence and can be authenticated;
- That you can perform the competency consistently and reliably;
- Is at the standard expected in industry and set out in the Australian Qualification Framework (AQF);
- Sufficiency - There is sufficient evidence to make a judgment.

The recognition process may include the necessity to demonstrate the application of skills. Where it is identified that this is required to assist the assessor in their judgement of competency, this will be arranged at either the student's workplace or at Emerging Leadership Institute's training facilities.

Emerging Leadership Institute is committed to ensuring that all judgments made by trainers against the same competency standards are consistent. Your trainer will examine the evidence that you present and then make a judgment on that evidence which will be either:

- Competent (C) - you have been deemed competent against all the requirements of the Unit/s of Competency
- Not Yet Competent (NYC) - you have not yet demonstrated competency to all requirements.

Your trainer will advise you of the outcome of your application for RPL and advise where gap training and/or assessment is required.

### **3.10. CREDIT TRANSFER**

Emerging Leadership Institute recognises the AQF qualifications and Statements of Attainment issued by other Registered Training Organisations (RTOs). Where a student has completed a unit/s of competency prior to enrolling with Emerging Leadership Institute that are included in the course in which the student is enrolling, the student may apply for recognition. This may result in the student not having to complete the same unit of

competency again. This is known as credit transfer. Should you wish to seek credit transfer, contact the Emerging Leadership Institute Admissions Staff for a Credit Transfer Form.

*See the RPL and Credit Transfer Policy for more details.*

## 4.5. FEE PAYMENT AND REFUND POLICY

Emerging Leadership Institute has developed a fair and equitable process for determining course fees, refunds and payment options.

You must advise us of cancellation in writing or by email. A non-refundable administration fee of 25% of the full course fee payable (non-discounted) or a minimum of **\$250** (whichever is greater), will be subtracted from any refund granted under the terms and conditions outlined in this policy.

No refund is provided for cancellations outside of the refund period, though some cases may be considered, subject to Emerging Leadership Institute management's discretion. In the case of online learning, training and assessment is deemed to have commenced once the learner has been issued a username and login and these have been used to access the online material.

## 4.5.1. CANCELLATION AND REFUNDS

Emerging Leadership Institute has a refund period whereby refunds are allowed for any reason, including change of mind, known as the 'Refund Period'. No refunds will be issued for cancellations outside of the refund period.

The 'refund period' is defined as **14** calendar days from the date the student has been 'officially enrolled'—this means all pre-enrolment and enrolment steps have been completed, and the student is deemed suitable for the course.

If you do not notify Emerging Leadership Institute in writing within the refund period, you will not be eligible for a refund. All refunds will be paid to the person or organisation that originally paid the fees. Refunds will be paid within four calendar weeks of the date the request is received.

If you wish to terminate your studies before the completion of your course, you must first complete a Refund Request Form, available from our website and support team. In cases where fee payment instalments have been negotiated, you will still be liable to pay any and all outstanding fees to Emerging Leadership Institute before the termination of enrolment. 'Outstanding fees' refer to all due payments for training and/or assessment services rendered by Emerging Leadership Institute to the student before withdrawal of training is officially approved. Emerging Leadership Institute reserves the right to pursue recovery of any and all fees owed by any and all means legally allowable.

For refund applications within the refund period, the Refund Request Form must be received by Emerging Leadership Institute, within the refund period. A refund of the course fee, less the applicable administration fees will only be issued if all above criteria has been met and the student has no previous outstanding monies with Emerging Leadership Institute.

This refund policy does not remove your right to take further action under Australia's consumer protection laws.
